**Are you aged over 55 and want to know what activities and services are available to you in Milton Keynes? More importantly, do you want to have fun?!**

Then why not come along to the United Generations event and join Angela Rippon, Pete Winkleman and the Mayor of Milton Keynes.

Be entertained by youngsters who have linked with older adults to demonstrate how much fun you can have. Throughout the day there will be live demonstrations of a variety of activities. You will have the opportunity to speak to representatives from Milton Keynes Council, Bucks Fire & Rescue Service and voluntary groups about how they can help you.

There will be free refreshments, a free prize draw with fabulous prizes and a goodie bag for each attendee. Plus this year we are offering free electric blanket testing.

If you would like to attend the event, please go to the website above and complete the form.
